To

Offg Secretary to the Govt of
H H the Maharaja of Mysore
Genl & Rev Depts, Bangalore

Sir,

I have the honor to invite the attention of His Highness Govt to proposals of the Chief Engineer to drain the as yet undrained portion of Mysore City under the "seperate system" This system has, I understand, been introduced into Poona and Allahabad or Ahmedabad on the advice of Mr Visvesvaraya when in Service in Bombay Presidency, and is now at work I had intended to ask His Highness Govt to depute one to enquire into the working of the System in these Cities, but the necessity for my taking leave at this time has interfered with putting that idea into practice just now

However, as I hope to be returning from Europe in September, I have thought that I might break my return journey at Poona, remain there a day or two, and there visit the other towns for a day

But it cannot be done within my leave, and so further Sanction of Govt is necessary to my reporting on arrival at Poona, but permitting my Secretaries to attend to the current work of the Office here until my return - as I leave on the 14th instant it would be satisfactory if I receive Orders on the subject before I start but if there is no time for this, Orders Could be sent to me C/o Messrs Coutts & Co, London
